

# Exhibitor RATE CARD

## **Machinery Exhibits**

**\$900 + HST 40' x 40' minimum**  
**\$225 + HST additional 10' x 40' blocks**

Agrifest's Machinery Pavilion is the anchor for the festival's field crops acreage. Given the unique needs of equipment dealers, we are offering flexible space options that will help exhibitors showcase their complete line of products, including home and smaller equipment pieces. A minimum 40' x 40' space is required with additional blocks measuring 10' x 40' available. Machinery Pavilion exhibitors receive: a level densely grassed space, up to seven exhibitor passes, scheduled machinery demonstrations throughout the event and a complimentary listing and profile in the printed and online show guide. Exhibitors will be offered one complimentary table and two chairs. Tents or other exhibit furnishings are available by contacting the Darwin Event Group, the event's official exhibit contractor.

## **Trade, Information and Retail Exhibits**

**\$600 + HST 10' x 10' minimum**  
**Special Association Pricing: \$300 + HST 10' x 10'**

These fully enclosed Exhibit Pavilions are under large tents and strategically located around the site. A minimum 10' x 10' space is required with additional booths available. Trade, Information and Retail Exhibitors receive: a level densely grassed space under a common tent divided into 10' x 10' booths (8 ft. high drape backwall and 3 ft. high drape sidewalls), one table and two chairs, up to seven exhibitor passes and a complimentary listing and profile in the printed and online show guide. Electricity and other exhibitor furnishings are available by contacting the Darwin Event Group, the event's official exhibit contractor.

## **Food Service Exhibits**

**\$750 + HST 10' x 10' minimum**  
**Special Association Pricing: \$375 + HST 10' x 10'**

This open air market style pavilion is centrally located. A minimum 10' x 10' space is required with additional booths available. Food Service Exhibitors receive: a level densely grassed space under individual free standing tents with amenities (communal water and cold storage) available to serve prepared, perishable food to be consumed on-site, one table and two chairs, up to seven exhibitor passes and a complimentary listing and profile in the printed and online show guide. Electricity and other exhibitor furnishings are available by contacting the Darwin Event Group, the event's official exhibit contractor.

**August 10-13 2006 Canning, Nova Scotia**
